E

Locations visited by The Urban Agriculture Network, 1991-2000

The Urban Agriculture Network visited 18 developing countries between Fall 1991 and Spring 1992 during four study trips funded by UNDP. Since then, the authors have visited many other cities in 22 additional countries for conferences, interviews or field work, each denoted with an asterisk (*). The towns and cities visited included a wide range of population size, cultures, economies, and climates.
